**COMMUNICATION REGARDING APRIL 5, 2007**  
**RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS**  
**UNDER 35 U.S.C. § 371**

On April 5, 2007, we timely filed a Response to Notification of Missing Requirements Under 35 U.S.C. § 371 (“the Response to Missing Requirements”) in connection with the above-identified application. The transmittal letter accompanying the Response to Missing Requirements inadvertently listed the subject application as U.S. Application No. 10/583,303, instead of U.S. Application No. 10/584,303. All the other papers submitted with the Response to Missing Requirements correctly listed the subject application as U.S. Application No. 10/584,303. In order to correct this mistake, we enclose herewith a copy of the originally submitted Response to Missing Requirements noting the correct U.S. Application No., 10/584,303.

We respectfully request that the accompanying Response to Missing Requirements be made of record in U.S. Application No. 10/584,303. We further respectfully request that the subject application not be deemed abandoned, as the original submission of the Response to Missing Requirements was timely filed.

If a telephone conference would be of assistance in resolving any outstanding issues, the undersigned invites the Office to contact him at the number provided below. No fee is deemed necessary in connection with the filing of this Communication. If any fee is

deemed necessary in connection with the filing of this Communication. If any fee is required, authorization is hereby given to charge Deposit Account No. **11-0600** for any such fee.

Respectfully submitted,
